**CHILLED SEMEN SERVICE**

This is a stud service agreement is entered into in Madison County, Kentucky between Bluegrass Frenchies (Gary & Kay McCarty) and buyer listed above, for a chilled semen delivery.

We offer 2 chilled semen services.

\$1250.00 BlueGrass Frenchies will provide a one-time semen extraction from our stud dog of your choice.

We do not guarantee that your female will take. Customer will need to cover the cost of the kit, vet fee and shipping. For the lower 48 states this is normally \$350 total.

For an additional \$400 BlueGrass Frenchies will provide semen extraction for a second chilled semen shipment within 1-2 days of the first shipment from the same stud and for use in the same female listed above. We do not guarantee that your female will take. Owner of Bitch will need to pay for the kits and the cost of shipping. This will be \$350 each time for a total of \$700. These totals are all broken down above.
